EXPERIENCE

Programming Mentor (Part Time)

Adhyayan IT Training and Placement Institute, Pune

📅 April 2023 - Present

- area of Responsibility: Teaching (Python, Java, C, C++, Data Structures and Algorithm's), Guide in practical sessions.

JAVA Developer (Internship)

KiaSoft

📅 March 2023 - April 2023

- Successfully completed tasks on Java.
- Worked on projects Like CRUD Operations using Java and MySQL database.
- Learned Data structure and Algorithm's Concepts Like Time and Space Optimization.

PROJECTS

Book Your Show

Self-Learning Project

📅 Dec 2022

- This is a Spring boot Backend Application where you can search and Book tickets of Movies, events, shows. update details and also make payments. It has 10-12 REST API's.
- Tech : JAVA, Spring boot, JPA Hibernate (MySQL database), Maven, Postman.
- Learning : Learnt about Spring, Hibernate, Different type of API's building, Database connections(MySql)
- 🐙 <https://github.com/harshalTTambat/BookYourShow>

Ewallet

Self-Learning Project

📅 Dec 2022

- Spring boot Backend web Application for digitally money transfer, make payments, check balance, transaction notification via mail to sender and receiver with micro-services architecture.
- Tech : JAVA, Spring boot, Redis, Kafka, JPA Hibernate (MySQL database), Maven, Postman.
- Learning : Learnt about Redis(cache), kafka producer-consumer configurations, Microservices architecture.
- 🐙 <https://github.com/harshalTTambat/Ewallet-application-backend>

Web Pages

Self-Learning Project

- Some Web pages designs using HTML, CSS, JavaScript
- Ecomm-Pages:
https://harshalttambat.github.io/Ecomm_website/
- My Portfolio: <https://harshalttambat.github.io/Portfolio/>

EDUCATION

B.Tech in electronics and telecommunication engineering

Savitribai phule pune University

📅 July 2022

CGPA:6.21

Diploma in electronics and telecommunication engineering

MSBTE, Mumbai University

📅 July 2018

60.65%

XII Class

M.S.M School and jr collage, Malkapur

📅 June 2014

51.38%

X Class

L.B Chandak vidhyalaya, Malkapur

📅 June 2012

68%

SKILLS

JAVA

HTML

CSS

Python

C

C++

Spring boot

JPA Hibernate(MySql)

MySQL

Data Structures

Algorithms

Backend API Structure

Database design

Spring MVC Architecture

Microservices Architecture

COURSEWORK

- Data Structures and Algorithms
- Object- Oriented Programming
- Web Development
- Operating Systems
- Database Management Systems

POSITION OF RESPONSIBILITY

- Work Part time as teacher at Adhyayan IT Training and Placement institute, Pune. area of teaching: python, Java
- Event Participant - Musical Club of MITAOE as a TABLA Player in 2019-Annual Cultural Festival.
